

**Curriculum Vitae**  
**Chung-Yi Chiu, Ph.D., CRC**  
Department of Kinesiology and Community Health  
University of Illinois at Urbana-Champaign  
1206 South Fourth St., Room 127 Huff Hall  
Champaign, IL 61820  
chiucy@illinois.edu

## **EDUCATION**

Doctor of Philosophy, 2009  
University of Wisconsin–Madison  
Major: Rehabilitation Counseling Psychology  
Minor: Educational Psychology (Statistics)  
Dissertation: “*Testing Schwarzer’s Health Action Process Approach (HAPA) Model of Health Promotion for People with Multiple Sclerosis: A Path Analytic Approach.*”

Master of Science, 2005  
National Taiwan University  
Major: Occupational Therapy

Bachelor of Science, 2001  
Chang Gung University  
Major: Occupational Therapy

## **LICENSURE AND CERTIFICATION**

Certified Rehabilitation Counselor, Commission on Rehabilitation Counselor Certification  
(#00112828)

Licensed Occupational Therapist, Occupational Therapy Association of the Republic of China  
(#001120)

Certified Occupational Therapist, National Senior Professionals Association of the Republic of  
China (#5978)

## **TEACHING AND RESEARCH EXPERIENCE**

*Assistant Professor*, Department of Kinesiology and Community Health, University of Illinois at  
Urbana-Champaign, Champaign, 2013-Present

Work assignments and responsibilities in this position include research, grant writing,  
classroom teaching in the rehabilitation counseling psychology area, supervising master's  
thesis and doctoral dissertation in rehabilitation counseling, and professional services.

*Assistant Professor*, Department of Rehabilitation Counseling, University of Texas Southwestern Medical Center, Dallas, 2009-2013

Work assignments and responsibilities in this position include classroom teaching in the rehabilitation counseling psychology area, supervising master's thesis in rehabilitation counseling, supervising students in their practicum and internship placements, and providing clinical rehabilitation services. Additional activities included an active research program, grant writing, and professional services.

*Lecturer*, Department of Rehabilitation Psychology and Special Education, University of Wisconsin—Madison, summer 2012

Work assignments and responsibilities in this position include teaching psychology graduate level course in disability and rehabilitation research and providing consulting services for students' research projects.

*Practicum and Internship Supervisor*, Department of Rehabilitation Psychology and Special Education, University of Wisconsin—Madison, 2008-2009

Served as clinical supervisor for master's level rehabilitation counseling students in their practicum and internship placements. Specific responsibilities include providing weekly individual and group supervision meetings, assisting students in developing and achieving learning objectives for their practicum/internship experiences, doing site visits and working with site supervisors to monitor progress and performance of students, facilitating discussion and presenting professionalism topics in clinical practice seminars, and instructing evidence-based practice.

*Teaching Assistant*, Department of Rehabilitation Psychology and Special Education, University of Wisconsin—Madison, 2006-2009

Responsibilities include teaching selected lectures and facilitating discussion sections, assisting professors in developing course syllabi, gathering additional reading materials, designing and managing curriculum materials on the web for courses using a blending approach (classroom plus web-based instructions) developing and grading examinations, tutoring students, and grading papers. Served as a teaching assistant for the following courses:

- Rehabilitation Psychology—Rehabilitation Psychology Research
- Rehabilitation Psychology—Internship
- Rehabilitation Psychology—Supervised Practicum I
- Rehabilitation Psychology—Supervised Practicum II
- Rehabilitation Psychology—Psychosocial Aspects of Chronic Illness and Disability
- Rehabilitation Psychology—Counseling Theories and Issues
- Rehabilitation Psychology—Biological, Psychosocial, and Vocational Aspects of Disability
- Rehabilitation Psychology—Health Promotion for Disability and Chronic Illness

*Project Assistant*, Department of Rehabilitation Psychology and Special Education, University of Wisconsin—Madison, summer 2007 and summer 2008

Responsibilities included conducting survey and updating student and alumni data for the area chair of the Rehabilitation Psychology Program.

*Project Assistant*, University of Wisconsin Department of Psychiatry/Dane County Mental Health Center, fall 2007

Responsibilities included preparing instructional materials and information for medical students interviewing for psychiatry residency.

*Research Assistant*, National Taiwan Normal University, Graduate Institute of Rehabilitation Counseling, Taipei, Taiwan, 2005-2006

Responsibilities included conducting literature review, designing research protocols, screening and selecting research participants, administering assistive technology assessment, collecting and analyzing data using statistical and computer software (e.g., SPSS, Access, and Excel), preparing manuscripts for publication, and presenting in professional conferences.

*Research Assistant*, National Taiwan University, Graduate School of Occupational Therapy, Taipei, Taiwan, 2003-2004

Responsibilities included conducting literature review, designing qualitative research protocols, screening and selecting research participants, analyzing transcript, coding items for developing new pediatric occupation development assessment, surveying, collecting and analyzing data using statistical and computer software (e.g., SPSS, Access, and Excel), and preparing manuscripts for publication.

*Teaching Assistant*, National Taiwan University, Department of Occupational Therapy, Taipei, Taiwan, 2003-2004

Responsibilities included demonstrating and working with undergraduate students to help them practice occupational therapy techniques in the occupational therapy technique class, supervising senior students doing practicum in the National Taiwan University Hospital.

## **CLINICAL EXPERIENCE**

*Occupational Therapist*, Taipei Women's and Children's Hospital, Taipei, Taiwan, 2005-2006

Responsibilities included providing occupational therapy evaluation and early intervention, consulting with parents, teachers and caregivers regarding children's functioning and psychosocial conditions and educational needs, formulating treatment plans, and providing follow-up occupational therapy services.

*Occupational Therapist*, Occupational Therapists Union of the Republic of China, Taoyuan City, Taiwan, 2004-2006

Responsibilities included providing long-term care evaluation and consultation related to

independent living and quality of life, providing evaluation of activities of daily living, conducting assistive technology and accommodation needs assessment, and training patients to use assistive devices in community living and works settings.

*Occupational Therapist & Occupational Therapy Supervisor*, First Social Welfare Foundation Children's Development Center and Assistive Technology and Resources Center, Taipei, Taiwan, 2001-2006

Responsibilities included occupational therapy treatments for children with physical and mental disabilities and others with general developmental disorders, consulting with parents and special education teachers, conducting early interventions, evaluations and consultations, evaluating and prescribing assistive technology, designing classes for special education with occupational treatment goals, meeting with parents and teachers, leading discussion groups for interns, and supervising occupational therapists in the department.

## **PRACTICUM AND INTERNSHIP EXPERIENCE**

*Advance Practicum in Rehabilitation Psychology*, Counseling Resources, Neuropsychological Associates, LLC, 2008-2009

Responsibilities included conducting intake interviews, administering, scoring, and interpreting neuropsychological tests, writing case notes, preparing psychological and neuropsychological reports, participating in staffing, and providing vocational counseling for people with traumatic brain injuries and older adults living in nursing homes.

*Advanced Practicum in Rehabilitation Counseling*, Wisconsin Department of Workforce Development, Division of Vocational Rehabilitation, Madison WI, summer 2007

Responsibilities included conducting intake interviews, performing functional capability evaluations, evaluating clients to determine eligibility, providing personal and vocational counseling, developing an individualized plan of employment (IPE) with clients, purchasing job placement services, writing case notes, and performing miscellaneous case managements activities.

*Advanced Practicum in Rehabilitation Counseling*, Mental Health Center of Dane County—Cornerstone Program, Madison WI, 2007

Responsibilities included case management, assisting consumers in their daily activities, monitoring clients' quality of life, monitoring clients' physical and mental health, improving participation in community, teaching health promotion behaviors, providing individual counseling, providing job placement and job development services, and writing case notes.

## **GRANTS**

The University of Illinois at Urbana-Champaign, the Illinois Campus Research Board. Research

Support Award: “Social Cognitive Determinants of Physical Activity and Sedentary Behavior in People with Multiple Sclerosis: A Longitudinal Panel Study.” **\$29,902** (2014-2016). (Principal Investigator). Funded.

The North Texas Food Bank. The sponsored research program: “An Exploratory Study of Consumers' Experience of Using Food Pantries and Their Self-Sufficiency, Health, and Quality of Life.” **\$3,080** (2012-2013). (Principal Investigator). Funded.

University of Texas Southwestern Medical Center, School of Health Professions. Faculty Research Grants: “Evaluating the Health Action Process Approach as a Culturally-Sensitive Health Promotion Model for People with Multiple Sclerosis from Racial and Ethnic Minority Backgrounds.” **\$2,250** (2011-2012). (Principal Investigator). Funded.

Paths to Employment Resource Center/UW-Stout Vocational Rehabilitation Institute: “Develop the Active Lifestyle Profile Scale.” **\$4,980** (2011). (Principal Investigator). Funded.

National Multiple Sclerosis Society. Research Grants: “Developing the HealthPro App: A Self-Monitoring Program to Live Well with MS.” **\$702,956** (2014-2017). (Principal Investigator). Submitted.

Center for Rehabilitation Research Using Large Datasets, the University of Texas Medical Branch, sponsored by NIH R24-HD065702, “How Ecological Factors and Information Technology Usage Impact on Health and Economic Well-being of People with Multiple Sclerosis.” **\$30,000** (2014-2015). (Principal Investigator). Submitted.

National Institute of Health, Dissemination and Implementation Research in Health (R21): “Breast Cancer Rehabilitation Improving Daily Function and Role Participation.” **\$275,000** (2013-2015). (Principal Investigator). Submitted.

National Multiple Sclerosis Society. Pilot Research Grants: “Psychometric Properties of Outcome Measures Used to Evaluate Symptoms of Multiple Sclerosis.” **\$42,923** (2012-2013). (Principal Investigator). Submitted.

Hogg Foundation for Mental Health. Mental Health Research Grants for Tenure-Track Assistant Professors in Texas: “A Theory-Driven Physical Activity Self-Management Intervention for Middle-Aged and Older Adults with Serious Mental Illness.” **\$17,400** (2012-2013). (Principal Investigator). Submitted.

The North Texas Food Bank. The sponsored research program: “Stages of Change for Self Sufficiency.” **\$56,000** (2012-2013). (Principal Investigator). Submitted.

The North Texas Food Bank. The sponsored research program: “Relationships between Food Insecurity, Eating Behavior, and Health among Food Assistance Users.” **\$50,000** (2012-2013). (Principal Investigator). Submitted.

The University of Texas Academy of Health Science Education. The University of Texas System. Health Science Education Small Grants Program: “Improving Evidence-Based Practice Education by Building an Outcome Measure Information System for the University

Rehabilitation Services.” **\$4,780** (2012-2013). (Principal Investigator). Submitted.

National Institute of Health, Academic Research Enhancement Award (AREA) Grants (R15): “Evaluating the Health Action and Process Approach (HAPA) as a Culturally-Sensitive Health Promotion Model for People with MS from Racial and Ethnic Minority Background.” **\$471,000** (2010-2011) (Principal Investigator). Submitted.

## **SCHOLARSHIP**

- 2009 The Paul Lustig Memorial Scholarship, Department of Rehabilitation Psychology and Special Education, the University of Wisconsin-Madison.
- 2008 The Vilas Travel Grant, the University of Wisconsin-Madison.
- 2008 The University of Wisconsin-Madison Population Health Dissertation Grant sponsored by the Robert Wood Johnson Foundation Health & Society Scholars Program.
- 2006 The Paul Lustig Memorial Scholarship, Department of Rehabilitation Psychology and Special Education, the University of Wisconsin-Madison.
- 2001 The Scholarship for the Most Outstanding Student, Department of Occupational Therapy, Chang Gung University.
- 2000 The Scholarship for the Most Outstanding Student, Department of Occupational Therapy, Chang Gung University.
- 1999 The Scholarship for the Most Outstanding Student, Department of Occupational Therapy, Chang Gung University.
- 1998 The Scholarship for the Most Outstanding Student, Department of Occupational Therapy, Chang Gung University.

## **HONORS**

- 2014 The National Council on Rehabilitation Education New Career in Rehabilitation Education Award, National Council on Rehabilitation Education.
- 2014 Research Support Award, University of Illinois at Urbana-Champaign.
- 2013 The 2013 American Rehabilitation Counseling Association Research Award (1<sup>st</sup> place).
- 2012 The 2012 American Rehabilitation Counseling Association Research Award (2<sup>nd</sup> place).
- 2012 The 2012 New Investigator Award, School of Health Professions, UT Southwestern

Medical Center.
